Anonymous Sudan

- Claims to be from Sudan
- Russian Narratives
- Expensive DDOS attacks
- Likely State Sponsored

Timeline

Date	Event
2022-01-11	Russian hacker group announces that they will become “multi cultural”.
2022-01-15	Russian hacker group announces that they are preparing “something large and very cool”.
2022-01-16	Posts on Twitter that Rasmus Paludan will burn a Quran outside the Embassy of Turkey in Stockholm.
2022-01-17	Rasmus Paludan announces on social media that he will burn a Quran.
2022-01-18	New Telegram channel “Anonymous Sudan” is created
2022-01-19	Paludan again announces his intentions on social media.
2022-01-19	New post in Telegram channel mistnet@telegram: “Soon...”
2022-01-20	Police permit for Paludan’s action approved by Swedish Police
2022-01-20	First mention of Paludan’s planned action in Swedish media.
2022-01-21	Rasmus Paludan burns a Quran outside the Embassy of Turkey

A New Player?

- Russian hacktivists attack Sweden less after Erdogan appears to say yes to Sweden in NATO
- Iranian Anzu Team pick up instead
Connections to IRGC
- Anonymous Sudan attack countries in Africa

Later Developments

- Hamas terrorist attacks and the war in Gaza have ignited more hacktivism.
- Russian KillNet is actively supporting Hamas.
- Exaggerated rumors on Impact
- Attacks currently aimed at Israel but will also likely target other states supporting Israel.
